Cheah Jer Fei

Software Engineer

Selangor, Malaysia | https://github.com/jeffhappily | goodboy96@live.com.my

Profile

A full-stack web developer with a keen interest in financial technology. I did not go to University as the learning environment did not suit me, but I am looking for opportunities to work with engaging mentors and projects in place of formal-education.

Skills

Programming :	Ruby, Go
Web :	HTML/CSS/Javascript, React JS
Mobile :	React Native

Experience
